Chapter 1 by samantha

"Who are you?" she whispered to the voice that emanated from the phone.

"You know who I am." The snake like voice hissed."You know what you did, and you know just how i'm going to repay you."

Mandy thought and thought." Who could this be?" she whispered to herself.

"Think sweety," the voice said in a malicious tone.

" I don't know" Mandy squealed. She could feel her heart falter in her chest.The fear was building in her.She reached for the home phone to call 911, but the voice stopped her.

"You probably shouldn't do that, not that you even could, check the cord." The voice paused for breath."Who am I?"

" I don't know" Mandy cried , her tears freely falling.

"Strike one" the voice hissed.

"You are a smart girl. I know that, couse you are still on the phone line. You could just hang up at first. You didn't. That's why I believe you can figure out why you deserve all this now."

Mandy stopped crying. Her despair slightly changed into anger. She tried to unlock the door once again but it was tight like adhered. Same as the windows. This door was the only way out from her flat since she lived at the fifth storey.

Mandy took a deep breathe, started to cough because of gass smell coming from the kitchen. "I don't know who you are and what you want from me! Sorry if I hurt you before. Just... Let me

out here and we'll talk then? Huh?" She tried to make a deal before the smell gets any worse.
